Authority member responsibilities

The essence of the Illinois Criminal Justice Information Authority is the collaboration of key leaders of the criminal justice system and members of the public who come together on a regular basis to discuss and develop responses to issues confronting the parts of the system and the system as a whole. It is a unique forum for state and local justice agencies to coordinate their work and discuss the impact of an action by one on the others. As such, the Authority takes on issues that are of interest to not just a single agency or component of the justice system but to multiple parts of the system, as well as to victim and offender service providers, advocates, and members of the general public. Authority members focus on such issues impartially and seek collaborative strategies to address them.

The Authority convenes on a quarterly basis. These meetings generally last no more than 2 ½ hours. All meetings are conducted in accordance with the Open Meetings Act, are recorded, and are the subject of detailed minutes, which document discussion and actions taken. Staff sends out meeting materials in advance of the meeting for the members' review. Authority members are expected to read the meeting materials in advance of the meeting and actively participate in the meeting.

The Authority chairman may designate members to serve on one or more of the Authority's committees. The Authority's rules permit any member to participate in any committee meeting. Committee meeting materials are mailed to all Authority members.

Ex-officio members may designate a staff person to serve on a committee on their behalf. Because of the nature of the Authority's work, it is expected that such designees would be drawn from the senior leadership of the Authority member's organization. It is expected that designees will have discussed the meeting materials with the Authority member in advance of the meeting.

Questions regarding an upcoming meeting or meeting materials received should be directed to the Authority Executive Director or General Counsel.
