MEMORANDUM

TO: Authority Board Members

FROM: Mike Carter, Program Manager for Justice Assistance Grants, Federal & State Grants Unit

DATE: June 3, 2011

RE: Multi-Jurisdictional Narcotics Units data

At the May 5, 2011 Authority Budget Committee Meeting, staff recommended funding for the 19 Multi-Jurisdictional Narcotics Units (MEG/TF) for the periods of October 1, 2011 through September 30, 2012 and October 1, 2012 through September 30, 2013. The Budget Committee approved staff's recommendation for funding for the 2011-2012 period but tabled the recommendation for the 2012-2013 period with instructions for staff to return specific MEG/TF related data to the Authority Board on June 3, 2011. The Budget Committee expressed interest in learning more about the MEG/TF units' focus, strategies and productivity as whole and individual units. The following is a summary of staff's findings.

The Authority has provided federal funding to MEG/TF units since the mid-1980s. Currently, the Authority provides \$2,756,849 in Edward Byrne Memorial Justice Assistance Grants (JAG) funds for 19 MEG/TF units. The combined jurisdiction of these 19 MEG/TF units covers 72 of the state's 102 counties. The units are typically comprised of one or two Illinois State Police Agents and sworn-officers from the counties and local jurisdictions in which the unit is authorized to work.

The MEG/TF units' focus is on street-level enforcement, targeting those that sell illegal drugs to consumers with an overall goal of interrupting the supply lines established by the street gangs and other organized distributors. The MEG/TF units attempt to accomplish this goal by conducting short and mid-term, overt and covert, prosecutable investigations and, ultimately, arresting those responsible for illegal drug distribution, as well as seizing their illegal drugs and assets attained from the illegal sale of those drugs.

It is not the goal of the MEG/TF units to target drug cartel leaders – those responsible for coordinating and organizing the smuggling of illegal drugs into the country and across state lines – or the so-called "kingpins" – those responsible for coordinating the delivery of those drugs to the established street gangs. Federal law enforcement authorities such as the Drug Enforcement Agency (DEA), Federal Bureau of Investigations (FBI) and the U.S. Customs and Border Protection (CBP) are charged with disrupting illegal drug distribution at those levels. However, it is not uncommon for the MEG/TF units to develop street-level investigations that lead to the mid and upper-level wholesalers who help establish the supply lines. These efforts are most evidenced by those units indicating arrest and seizure activities for multiple kilograms of cocaine or tens of pounds of packaged marijuana. In many of these cases, the MEG/TF units have worked cooperatively with the DEA, FBI, CBP, Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Marshals Service, and the U.S. Internal Revenue Service.

An analysis of the MEG/TF data indicates the Illinois drug market is a smorgasbord for drugs. In 2010, the MEG/TF units' combined seizures totaled approximately 4367 pounds of cannabis, 268 pounds of cannabis plants, 146 pounds of cocaine, 51 pounds of methamphetamine, 14 pounds of heroin, 14 pounds of prescription drugs, 11 pounds of club/date rape drugs, nine pounds of crack cocaine, and 25 pounds of "other" various illegal drugs. In the same year, these units made 2,813 arrests of which nearly 90 percent (2,524) were for felony offenses. The MEG/TF units referred approximately 84 percent (2,353) of total arrests for prosecution and approximately 99 percent (2,318) of these referrals were accepted by state and federal prosecutors for prosecution.

The arrests by offense type clearly indicate the MEG/TF units are not targeting drug users – those typically in possession of a few grams of illegal drugs such as marijuana or cocaine. It is not uncommon, however, for the MEG/TF units to encounter drug users during their investigations. In such encounters, the MEG/TF units must act in accordance with established Illinois laws while attempting to work toward their common goal of interrupting drug supply lines. Such encounters often result in the MEG/TF unit developing a cooperative work agreement with the drug violator that allows the individual to avoid criminal prosecution in exchange for information leading to the arrest of the MEG/TF unit's primary goal. At times, these violators refuse to cooperate with law enforcement and are charged with their criminal offenses. Most often, these low-level drug possessors are eventually charged with a misdemeanor that might result in a court ordered drug treatment program.

The MEG/TF concept is not unique to Illinois. The idea for these multi-jurisdictional drug enforcement groups was borne in the 1970s to fill a nationwide void in drug enforcement efforts between the local police departments and federal agencies and today, as the burden for local police agencies to provide adequate services weighs heavily on local and state revenues, multi-jurisdiction law enforcement groups are expanding beyond those of drug enforcement. According to the *2011 Byrne JAG Report, Cornerstone for Justice*, states spent more than half (52 percent in 2010) of their Byrne JAG formula dollars to support law enforcement functions. The majority (53.37 percent) of these funds were allocated strictly to law enforcement task forces.

The existence of the MEG/TF units provides many of Illinois' local jurisdictions an opportunity they otherwise would not have to battle drug distribution within their communities. In some communities, the drug problem is limited to cannabis plants being grown in abandoned fields to later be sold to users both young and old. In other communities, the drug problem is driven by competing street gangs vying for territory to sell heroin and crack cocaine to customers. In other areas of the state, the drug problem focus is on rogue meth labs that pose health and life safety issues to anyone within their vicinity. The MEG/TF units have become the one dependable resource for many Illinois police chiefs and their city officials in their effort to reduce drug availability and drug related crimes in their communities.

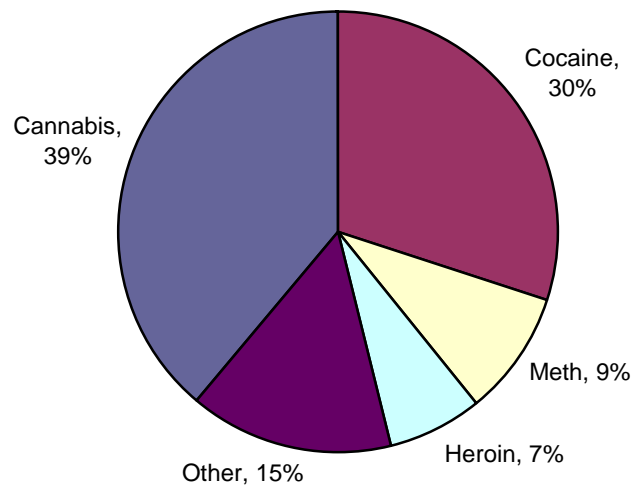

Attached to this memo is a table of cumulative data provided by each MEG/TF unit in years 2008, 2009 and 2010. In addition, Authority Board Members can view data for each of the 19 MEG/TF units, as well as, read vignettes of their recent activities, jurisdictions, and where their current JAG funding is allocated. The provided data, although not exhaustive, is lengthy and will require more time for review than is typically available for an Authority Board Meeting. In addition, the data should satisfy the Authority Board's interest in learning about each unit's focus, strategies and productivity; however, it is also likely additional questions will arise. Authority Board Members are encouraged to direct all related questions to the JAG Program Manager. The JAG Program Manager will then compile the questions and provide a response for the September 2, 2011 Authority Board Meeting.

Blackhawk Area Task Force - BATF

Enforcement Jurisdiction: Carroll, Henry, Ogle, Whiteside Counties

Population: 179,730

ICJIA funding amount: \$69,579

Blackhawk Area Task Force - BATF

Number of police agencies providing personnel: Local - 2; County – 2; State - 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 3; County – 2; State – 1

Strategy: Conduct illegal narcotics investigations using anonymous tips, confidential sources, law enforcement intelligence and undercover operations that lead to controlled purchases of illegal narcotics, search warrants, arrests and seizures of illegal narcotics and illegally obtained assets

Trends: Since early 2010, a resurgence of methamphetamine.

Highlights:

- In 2009, the unit conducted a Federal Title III investigation in conjunction with the Drug Enforcement Administration that resulted in arrests and seizure of 531 grams of cocaine, 4 vehicles, 2 firearms and \$96,599 United States Currency.
- In 2010, the unit conducted an investigation on indoor cannabis-grow conspiracy which involved three different houses. The investigation resulted in arrests and the seizure of more than 500 cannabis plants, cultivation equipment, 14 weapons, 2 vehicles, 2 motorcycles and approximately \$15,000 United States Currency.

ICJIA funding allocation:

\$29,953 goes toward salary of the Kewanee Police Department

\$31,507 goes toward salary of 1 administrative assistant (\$16.73 per hour)

\$5,400 goes toward payment for eight cellular phones

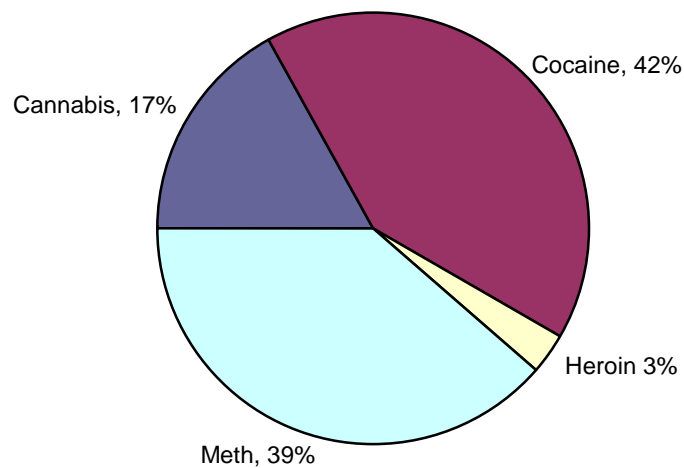

\$3,719 goes toward the maintenance of 13 vehicles.

Central Illinois Enforcement Group – CIEG

Enforcement Jurisdiction: Cass, Christian, Logan, Macon, Menard, Morgan, Sangamon

Population: 399,043

ICJIA funding amount: \$138,569

Central Illinois Enforcement Group – CIEG

Number of police agencies providing personnel: Local - 3; County – 2; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 3; County – 1; State – 3

Strategy: Enforce laws associated with the Controlled Substances Act and the Cannabis Control Act within a seven county region of central Illinois using drug enforcement practices such as street-level purchases, buy-bust operations, search warrants, court ordered overhears, subpoenas and interviews.

Trends: Cocaine arrests increased in 2010. The unit has successfully investigated several larger scale conspiracy cases, many of which have been cooperatively investigated with the Drug Enforcement Administration and resulted in federal charges. Also contributing to the increase in cocaine arrests in 2010, particularly Class X and Class 1 Felony arrests, were investigations that led to offenders selling crack cocaine within 1000 feet from a school.

Highlights:

- In 2010, the unit received information from the West Central Illinois Task Force (WCITF) of cocaine trafficking between Springfield and Macomb, Illinois. Through the use of drug enforcement investigative techniques, the unit obtained a search warrant on the suspect's Springfield home. The suspect became a cooperating defendant and led the unit to his cocaine source. Once again, the unit obtained a search warrant and seized approximately one-half kilo of cocaine, 3 firearms, including one that was stolen, and more than \$100,000 in United States Currency.
- In 2010, the unit spent several months conducting a methamphetamine conspiracy investigation that led to the arrests of a group of individuals working together to purchase, cook and distribute methamphetamine within Christian County.
- In 2010, the unit seized approximately \$9,000 and \$46,000 from one individual on two separate occasions during which he was en route to making a transaction for cocaine.

ICJIA funding allocation:

\$125,961 goes toward the partial salaries and fringe benefits of officers from Springfield, Pana, Taylorville, Jerome police departments and the full salary of one administrative assistant.

\$12,384 goes toward maintenance and gas of vehicles.

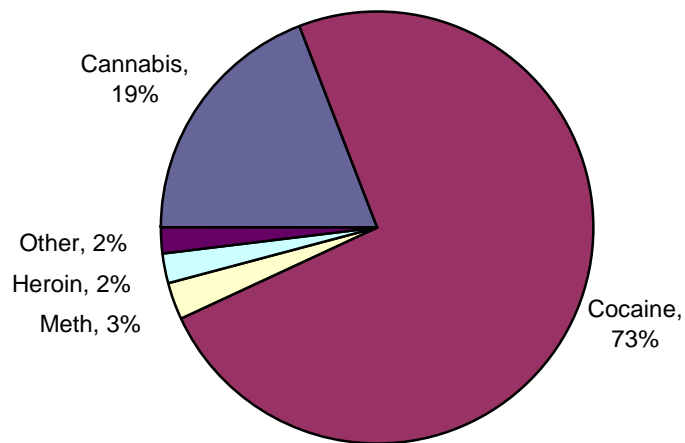

\$224 goes toward annual, random, drug testing of unit personnel

Du Page Metropolitan Enforcement Group – DUMEG

Enforcement Jurisdiction: Du Page County

Population: 930,528

ICJIA funding amount: \$145,625

Du Page Metropolitan Enforcement Group – DUMEG

Number of police agencies providing personnel: Local - 9; County – 6; State - 1

Number of police agencies providing funding only: Local – 13; County - 0

Total number of police officers assigned to unit: Local – 9; County – 0; State – 3

Strategy: Implement a countywide approach linking local, county, state and federal law enforcement resources to aggressively and proactively combat illegal drug trafficking in Du Page County.

Trends: Cocaine arrests are declining as the area's supply of cocaine has decreased. Heroin arrests are increasing as the area's supply of heroin has increased. The county has witnessed an increase in prostitutes who use online forums to advertise their services at Du Page County hotels. The prostitutes and their customers are having drugs delivered at these locations. This activity has led to an increase in misdemeanor level drug offenses and development of drug source intelligence.

Highlights:

- In 2009, the unit conducted a 4 month long non-consensual overhear investigation in partnership with the North Central Narcotics Task Force that resulted in arrests and the seizure of 1,058,051 grams of cannabis.
- In 2009, the unit conducted a non-consensual overhear investigation that resulted in arrests and the seizure of 2,000 grams of cocaine and one investigation that resulted in arrests and the seizure of 7,000 grams of cocaine.
- In 2010, the unit worked an investigation with the Chicago Police Department that led to the seizure of 500 grams of methamphetamine.
- In 2010, the unit conducted a drug investigation that led to the seizure of 48 guns.

ICJIA funding allocation:

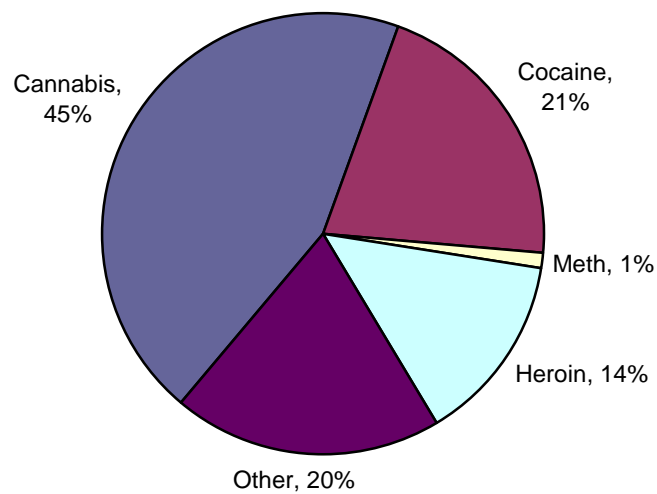

\$145,625 goes toward partial salaries of officers from Addison, Lombard, Wood Dale, Downers Grove, Elmhurst, Glendale Heights, Carol Stream police departments and one investigative clerk.

East Central Illinois Task Force – ECITF

**Enforcement Jurisdiction: Coles, Douglas, Moultrie
Counties**

Population: 85,994

ICJIA funding amount: \$107,122

East Central Illinois Task Force – ECITF

Number of police agencies providing personnel: Local - 2; County – 3; State – 2

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 2; County – 3; State – 2; Direct Hire - 1

Strategy: Maintain a high quality of life for the Coles, Douglas, and Moultrie Counties area by targeting those who distribute illegal drugs through the use of accepted drug enforcement investigation techniques, as well as, coordinating and presenting drug awareness programs to those communities served.

Trends: A rapid increase in the distribution of “High Grade Cannabis”. High Grade Cannabis is significantly higher in THC levels. Investigations have tracked these shipments from the western states where “Medical Marijuana” is legal to possess and sell. The existence of larger, sophisticated, methamphetamine labs has decreased in the area due to previous years’ enforcement efforts; however, the unit continues to identify and arrest people purchasing and trading pseudoephedrine pills to develop meth.

Highlights:

- In 2009, the unit conducted an undercover drug buy of one pound of cannabis. The cannabis tested positive as “High Grade”. When the unit arrested the offender, he was in possession of \$100,000 United States Currency and admitted to being en-route to purchase additional cannabis.
- In 2011, the unit conducted multiple undercover purchases of crack cocaine from individuals renting a local motel room. These individuals were from Cook County. Surveillance of the motel room let the unit to a residence in Mattoon. A search warrant was obtained for both the motel room and Mattoon residence and 8 individuals were arrested and 2 ounces of crack cocaine, 120 grams of cannabis, and \$1,500 United States Currency was seized.
- The unit spent several months conducting a methamphetamine conspiracy investigation that led to the arrests of a group of individuals working together to purchase, cook and distribute methamphetamine within Christian County.
- In 2010, the unit seized approximately \$9,000 and \$46,000 from one individual on two separate occasions during which he was en route to making a transaction for cocaine.

ICJIA funding allocation:

\$40,040 (\$19.25 per hour) goes toward the salary of a contracted Inspector.

\$31,200 (\$15.00 per hour) goes toward the salary of a Secretary/Bookkeeper.

\$18,993 goes toward fringe benefits for the Inspector and Secretary/Bookkeeper.

\$5,203 goes toward auto insurance

\$5,860 goes toward toll-line and phone charges, alarm line monitoring for office and “TIPS” line

\$2,907 goes toward office supplies and postage, as well as, computer supplies such as backup printer cartridges, paper, batteries, video tapes, audio tapes, etc.

\$1,500 goes toward equipment repair

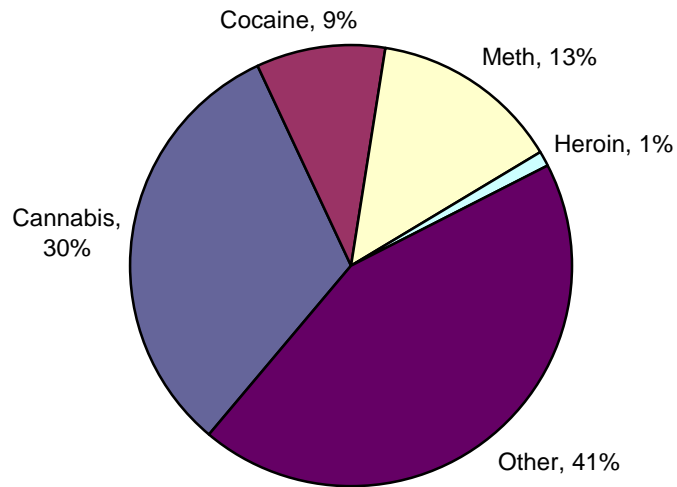

\$1,419 goes toward overtime for the Inspector and Secretary/Bookkeeper.

JOLIET MANS - JMANS

Enforcement Jurisdiction: Grundy, Will County

Population: 729,055

ICJIA funding amount: \$139,644

JOLIET MANS – J-MANS

Number of police agencies providing personnel: Local - 6; County – 2; State - 1

Number of police agencies providing funding only: Local – 3; County - 0

Total number of police officers assigned to unit: Local – 6; County – 3; State – 1

Strategy: Identify and disrupt street and mid-level drug dealers through the use of informants, undercover, controlled, drug buys, search warrants, and other accepted drug enforcement activities.

Trends: Heroin use and overdose fatalities have been an issue the past 3 years. In 2009, there were 29 deaths by heroin, 26 in 2010 and 16 in the first four months of 2011.

Highlights:

- In 2009, the unit recovered from a traffic stop 5 grams of cannabis, 4.9 grams of crack cocaine, and 1 gram of heroin. This action helped the unit obtain a search warrant on a residence, from which 2.5 kilograms of cocaine, five ounces of crack cocaine, 196 units of ecstasy, one ounce of black tar heroin, 8.5 grams of brown heroin and one ounce of cannabis.
- In 2010, the unit was involved in the seizure of \$929,190 United States Currency in drug proceeds and the arrest of two individuals for money laundering charges.
- In 2010, the unit made undercover purchases of over 3.5 ounces of heroin and two arrests for Class X Delivery of Controlled Substance charges.
- In 2010, the unit conducted an investigation that led to a search warrant and recovery of 4 ounces of cocaine, 13.8 grams of heroin, a handgun, a shotgun, 33 grams of cannabis and \$210.00 United States Currency. The unit followed-up a lead gained from this search warrant and conducted consent to search on a related residence and recovered 1,838 grams of cannabis. In all, three individuals were arrested for Class X felonies.
- In 2011, the unit conducted an investigation that resulted in a search warrant of a residence, in which, the unit recovered 1.4 kilograms of cocaine, 11 grams of cannabis and \$3,399 United States Currency. Two individuals were charged with Class X felonies.

ICJIA funding allocation:

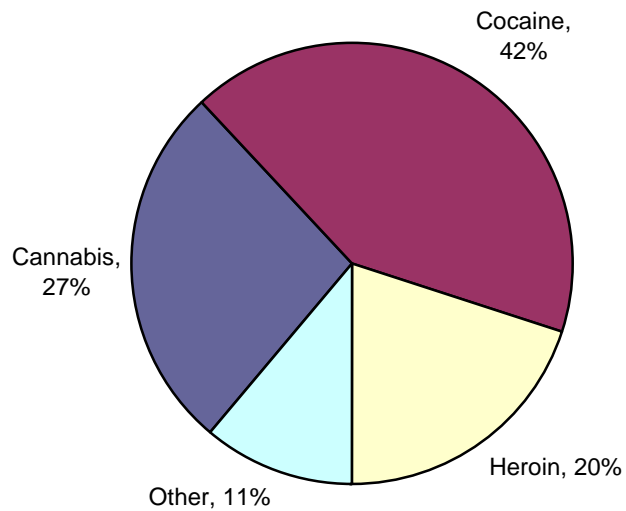

\$139,644 goes toward the partial salaries of officers from Romeoville, Channahon, Will County Sheriff, Lockport, Morris, and Grundy County Sheriff.

Kankakee Area Metropolitan Enforcement Group KAMEG

Enforcement Jurisdiction: Kankakee, Iroquois Counties

Population: 142,809

ICJIA funding amount: \$150,730

Kankakee Area Metropolitan Enforcement Group - KAMEG

Number of police agencies providing personnel: Local - 3; County – 0; State - 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 11; County – 0; State – 2

Strategy: A two-pronged approach to drug and gang enforcement through the use of covert and overt groups targeting street-to-middle and upper level drug distribution groups comprised of serious offenders, drug trafficking organizations and street gang members.

Trends: Increase in gang recruitment, open drug markets and related shootings. Response to higher-level trafficking organizations by conducting enhanced investigations at the local airport, bus station, hotels, and storage facilities has increased partnerships with federal resources such as the Central District of Illinois United States Attorney's Office (USAO-CD), Drug Enforcement Agency, Federal Bureau of Investigation, Internal Revenue Service and the Bureau of Alcohol, Tobacco and Firearms. During the past three years, the USAO-CD has adopted 26 KAMEG investigations for Federal prosecution.

Highlights:

- In 2008, the unit conducted a three month long undercover investigation for conspiracy to distribute more than 50 grams of crack cocaine and distribution of more than 50 grams of crack cocaine. The offenders made several deliveries of crack cocaine to undercover agents prior to negotiating an exchange of two ounces of crack cocaine for ten pounds of cannabis. Two offenders with substantial felony records were arrested and sentenced.
- In 2010, the unit responded to numerous neighborhood complaints regarding neighborhood drug distribution and through the use of accepted drug enforcement techniques, obtained a search warrant that led to the seizure of more than five pounds of high-grade cannabis, two loaded handguns and \$18,300 United States Currency.
- In 2010, working with the Project Safe Neighborhoods program, the unit conducted an investigation of crack cocaine distribution by a convicted felon. The investigation led to search warrant and recovery of 10 grams of cocaine, two ounces of cannabis and a loaded handgun.
- In 2010, the unit arrested a Federal parolee for possession of more than two ounces of crack cocaine. The parolee was transferred to the custody of the U.S. Marshal's.
- In 2010, the unit arrested a habitual felon for distributing nearly three ounces of crack cocaine. The offender was indicted federally.

ICJIA funding allocation:

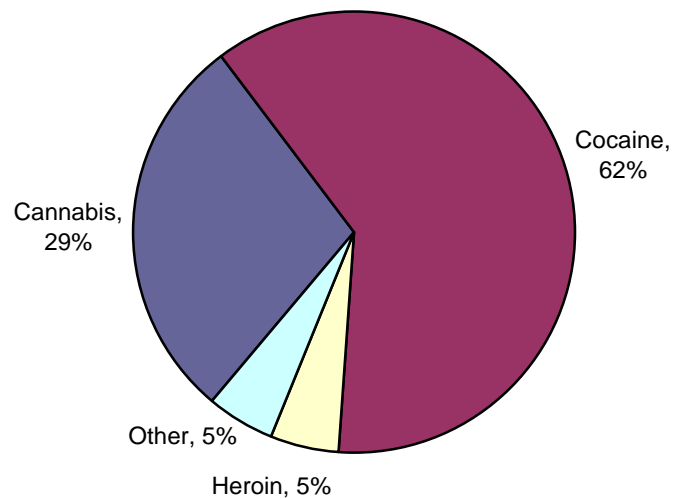

\$118,290 goes toward partial salaries for officers from Kankakee police department.
\$32,440 goes toward the partial salary and FICA for one administrative assistant.

Lake County Metropolitan Enforcement Group – LCMEG

Jurisdiction: Lake

Enforcement Population: 712,453

ICJIA funding amount: \$271,209

Lake County Metropolitan Enforcement Group – LCMEG

Number of police agencies providing personnel: Local - 16; County – 1; State – 1; Federal - 3

Number of police agencies providing funding only: Local – 2; County - 0

Total number of police officers assigned to unit: Local – 16; County – 1; State – 4; Federal - 5

Strategy: Investigate narcotics related offenses within Lake County through use of a myriad of common and acceptable drug enforcement techniques; as well as, develop and present gang and narcotic awareness classes to Lake County schools, civic groups, businesses and local contributing police agencies.

Trends: The County’s population continues to increase while the economic environment declines. The area has experienced an increase in number of reports of for illegal drug sales, illegal gun trafficking, and gang complaints. The high volume of illegal activities has required the unit to creatively deploy personnel to maximize effectiveness and efficiency.

Highlights:

- In 2009, conducted a heroin trafficking investigation that lead to a search warrant, arrest and seizure of more than 50 grams of heroin. The unit turned this arrest into an investigation of another area heroin distributed. This investigation led to several other arrests and the seizure of 3 ounces of heroin and stolen electronics.
- In 2009, the unit learned that a drug offender had been actively working to kill a police officer whom he believed was conducting an investigation into his drug business. The unit conducted an investigation that led to a search warrant for the suspect and residence. This search warrant revealed a half point block of TNT, several blasting caps/explosive initiators, numerous chemicals used in the manufacture of improvised explosive devices, a military AT-4 rocket launcher and a live military USMC SMAW warhead; as well as, 25 various firearms and assault rifles, 400 grams of cannabis, 38 ounces of cocaine and 500 various unlabeled pills – all separately packaged.

ICJIA funding allocation:

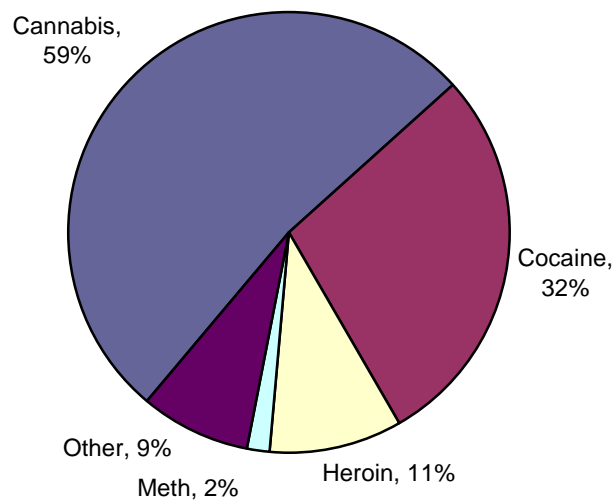

\$271,209 goes toward partial salaries for officers from Waukegan, Lake County Sheriff, Antioch, Wauconda, police departments and one K-9 officer from Antioch and the full salary of one asset forfeiture officer (\$49,500) and the full salary of one office generalist (\$45,468)

Metropolitan Enforcement Group of Southwestern Illinois – MEGSI

Enforcement Jurisdiction: Madison, Monroe, St. Clair Counties

Population: 563,173

ICJIA funding amount: \$467,598

Metropolitan Enforcement Group of Southwestern Illinois – MEGSI

Number of police agencies providing personnel: Local - 8; County – 3; State – 1

Number of police agencies providing funding only: Local – 5; County - 0

Total number of police officers assigned to unit: Local – 8; County – 3; State – 2

Strategy: Investigate narcotics related offenses within Madison, Monroe and St. Clair Counties through use of a myriad of common and acceptable drug enforcement techniques and law enforcement partnerships.

Trends: The unit documented the second highest rate of outdoor cannabis plant seizures throughout the state. The area has witnessed an increase in heroin overdose deaths during the past year.

Highlights:

- In 2011, the unit participated in a detail designed to target the area's most prevalent and violent offenders during a two-week period historically known to be one of the most violent and deadly in the area. This activity led to the arrest of 52 warrant violators, 24 cannabis possession/delivery violators, 11 cocaine possession/delivery violators, seizure of 29 firearms, and 22 other arrests. During this two-week period of high intensity enforcement, the area did not witness one homicide.
- In 2010, the unit conducted a controlled delivery of illegal narcotics that offenders had attempted to ship via Fed Ex. The Fed Ex package contained 22.4 grams of cannabis, 6 grams of cocaine, 2 grams of methamphetamine and 37.5 grams (5 sheets) of LSD and was addressed to an area hotel. The intended recipient took possession of the delivery and was arrested.
- In 2011, the unit participated in a drug trafficking case that led to the seizure of 3,600 grams of cannabis being delivered to Illinois from El Paso, Tx and the seizure of a tractor-trailer.

ICJIA funding allocation:

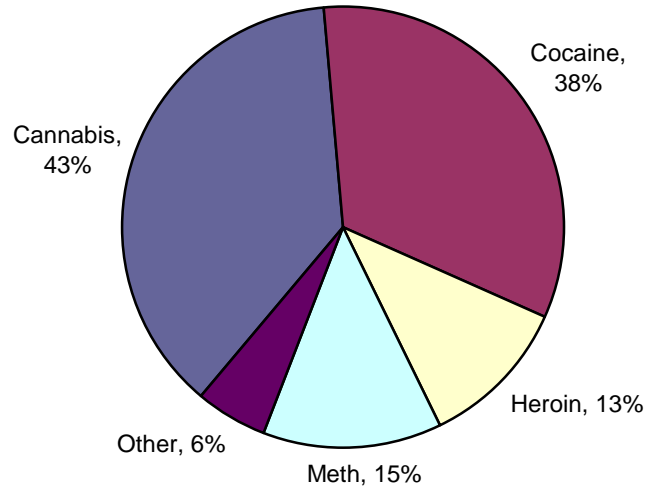

\$467,598 goes toward the partial salaries and fringe benefits of 12 officers from Bethalto, Collinsville, Edwardsville, Granite City, Monroe County, Troy, Madison County, O'Fallon, Fairview Heights, and Swansea police departments and one asset forfeiture officer.

Multi-County Narcotics Enforcement Group

Enforcement Jurisdiction: Knox, Marshall, Peoria, Stark, Tazewell, Woodford Counties

Population: 423,974

ICJIA funding amount: \$71,179

Multi-County Narcotics Enforcement Group

Number of police agencies providing personnel: Local - 4; County – 4; State - 1

Number of police agencies providing funding only: Local – 6; County - 0

Total number of police officers assigned to unit: Local – 3; County – 5; State – 2

Strategy: Target mid to upper level dealers operating within PMEG jurisdiction through use of acceptable drug enforcement investigation techniques.

Highlights:

- In 2008, the unit conducted a three month investigation that led to the seizure of 48 pounds of cannabis.
-
- In 2008, the unit worked a joint investigation with the FBI into cocaine distribution that led to the seizure of a residence, vehicles, firearms and \$26,970 United States Currency.
- In 2008, the unit conducted an investigation that led to the discovery of one kilogram of cocaine located in a hidden compartment of a vehicle. The vehicle and \$65,000 United States Currency were seized.
-
- In 2009, the unit conducted a joint investigation with the West Central Illinois Task Force (WCITF) and the Drug Enforcement Administration that led to an arrest and seizure of three kilograms of cocaine, several hundred grams of marijuana, \$325,000 United States Currency and a 33 acre farm, vehicles and firearms.
- In 2009, the unit conducted an investigation that led to a search warrant and seizure of more than 860 grams of crack cocaine.
- In 2010, the unit conducted an investigation that led to a search warrant and seizure of a quarter-kilogram of crack cocaine, several firearms and \$30,000 United States Currency.
- In 2010, the unit conducted an investigation that led to a search warrant, arrest and seizure of approximately 5 kilograms of psilocybin mushrooms.

ICJIA funding allocation:

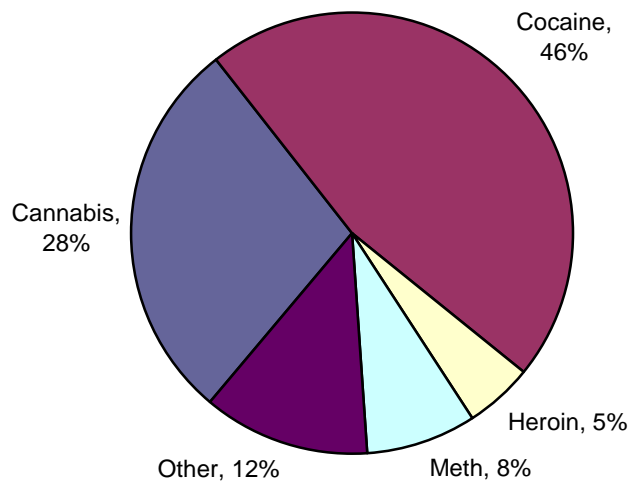

\$71,179 goes toward the partial salaries of officers from Galesburg and East Peoria police departments.

North Central Narcotics Task Force – NCNTF

**Enforcement Jurisdiction: Kane, Kendall, LaSalle, Lee,
Putnam Counties**

Population: 905,899

ICJIA funding amount: \$139,670

North Central Narcotics Task Force – NCNTF

Number of police agencies providing personnel: Local - 4; County – 0; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 4; County – 0; State – 8

Strategy: To target drug offenders that are not large enough for federal prosecution but too large for local agencies to handle on their own.

Highlights:

- In 2009, conducted a telephone intercept investigation into a cannabis distribution ring directly connected to Mexico. This investigation led to the arrest of eight individuals and the seizure of 2,300 pounds of cannabis and \$480,000 in United States Currency. The primary suspect fled to Mexico.
- In 2010, conducted a telephone intercept case that resulted in the arrest of six individuals and seizures of several ounces of cocaine, \$280,000 United States Currency, and a residence.

ICJIA funding allocation:

\$47,763 goes toward the full salaries of three administrative assistants for 87 hours per month each, to provide their services at each of the unit's offices.

\$39,444 (\$19.00 per hour) goes toward the full salary of an asset forfeiture coordinator

\$16,800 goes toward the service fee for cellular phones.

\$15,423 goes toward officer training

\$10,640 goes toward the salaries of five officers from Aurora, St. Charles, Crystal Lake, Algonquin, and Carpentersville police departments

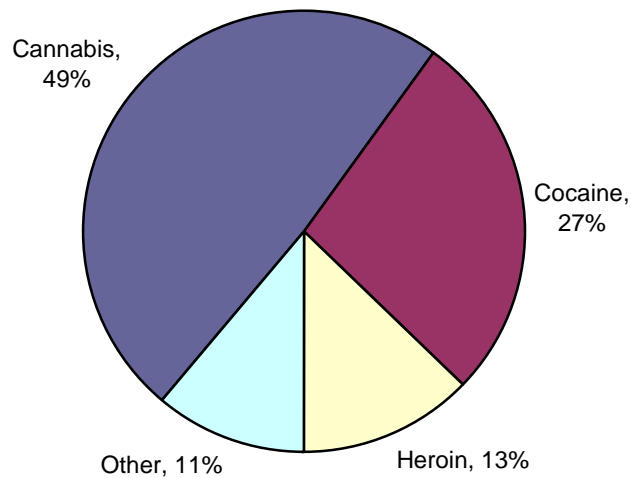

\$9,600 goes toward telephone services

QUAD CITIES METROPOLITAN ENFORCEMENT GROUP – Q-MEG

Enforcement Jurisdiction: Rock Island County

Population: 146,886

ICJIA funding amount: \$31,895

QUAD-CITIES Metropolitan Enforcement Group – Q-MEG

Number of police agencies providing personnel: Local - 7; County – 2; State - 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 6; County – 3; State – 1

Strategy: Engage in covert and overt drug enforcement strategies such as development of confidential informants, undercover operations, hotel interdiction, highway interdiction, parcel interdiction, bus and air travel interdiction; as well as, work closely with the Drug Enforcement Agency, Federal Bureau of Investigations, Alcohol, Tobacco and Firearms, and the Secret Service. In addition, the unit attempts to engage the community by providing drug awareness presentations at the local schools, police and fire departments, hospitals and businesses.

Trends: Increased demand for “High Grade” “Medical” marijuana from the western states. This highly concentrated THC marijuana also has a high dollar value attached.

Highlights:

- Team with officers from Scott County, Iowa.
- In 2010, the unit worked in partnership with the Drug Enforcement Agency (DEA) on parcel package interdiction efforts at area hotels. These cases involved significant weights of cannabis and often developed into federal conspiracy charges.
- The unit conducted an investigation into cannabis trafficking. Through the course of the investigation, the unit initiated a knock-and-talk with a suspect. This activity resulted in the seizure of 233 pounds of cannabis.

ICJIA funding allocation:

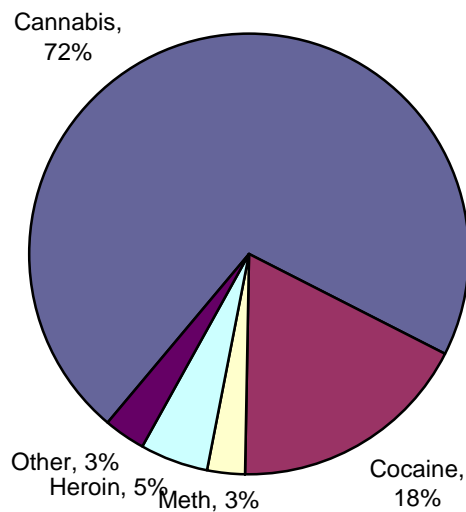

\$31,895 goes toward the partial salary of one officer from the Silvis police department.

Southeastern Illinois Drug Task Force - SEIDTF

**Enforcement Jurisdiction: Clark, Clay, Cumberland,
Effingham, Fayette, Marion Counties**

Population: 136,208

ICJIA funding amount: \$134,002

Southeastern Illinois Drug Task Force - SEIDTF

Number of police agencies providing personnel: Local - 1; County – 3; State - 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 1; County – 3; State – 1

Strategy: To provide an effective and comprehensive drug enforcement program that will have a major impact on the trafficking of cannabis and controlled substances in the communities serviced.

Trends: Methamphetamine manufacturing activity is beginning to increase after a five year lull. Cannabis trafficking is prevalent and increasing. The unit has documented more than 900 pounds of cannabis being shipped in from western states in the past year.

Highlights:

- In 2010, the unit assisted an Illinois State Trooper who stopped a semi-trailer that contained 136 kilos of cocaine. The stop led to a controlled delivery in the state of Maryland and the seizure of \$269,000 United States Currency.

ICJIA funding allocation:

\$129,000 goes toward partial salaries and fringe benefits of four officers from Clark County, Cumberland County, Flora and Marion County police departments

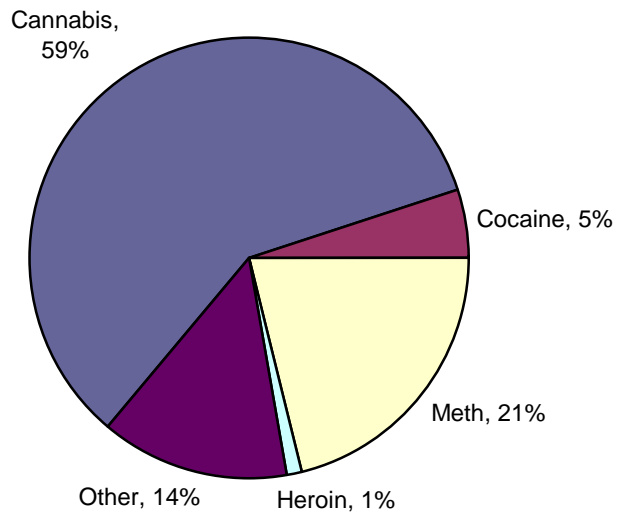

\$5,002 goes toward partial salary for secretary

Southern Illinois Drug Task Force – SIDTF

**Enforcement Jurisdiction: Franklin, Gallatin, Hamilton,
Hardin, Wabash, Wayne, White Counties**

Population: 101,330

ICJIA funding amount: \$201,393

Southern Illinois Drug Task Force – SIDTF

Number of police agencies providing personnel: Local - 6; County – 4; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 6; County – 3; State – 9

Strategy: Conduct street level drug enforcement with intent to develop future felony level investigations.

Trends: In 2011, a southern section of this unit’s jurisdiction has been the location of more meth labs than the rest of Illinois, combined. This has made methamphetamine federal conspiracy cases a priority for the unit. Reported abuse of prescription medication is at an all-time high and the area has experienced a high number of pharmacy burglaries and cases of over-prescribing controlled substances.

Highlights:

- A recent undercover operation and controlled purchase of Hydrocodone pills led to an arrest and seizure of 50,000 Hydrocodone pills and several items from unsolved residential burglaries. The offender was also believed to been involved in recent burglaries to pharmacies.
- An investigation led to the seizure of nearly 500 cannabis plants growing inside of a rental home.
- In 2010, the unit opened 33 outdoor marijuana-grow cases. The cases resulted in the unit located and destroyed 5,480 marijuana plants valued at \$14,639,000, 37,000 grams of processed cannabis, 30 pounds of processed cannabis and 4,395 cannabis plants growing in four separate lots owned by a Chicago resident.
- In 2010, the unit conducted an undercover operation buying cocaine from members of the Latin Kings. The investigation led to controlled purchases of crystal meth and the seizures of 75 grams of cocaine and more than one pound of crystal meth.

ICJIA funding allocation:

\$194,793 goes toward the full salary and fringe benefits for three inspectors, one administrative assistant and one secretary.

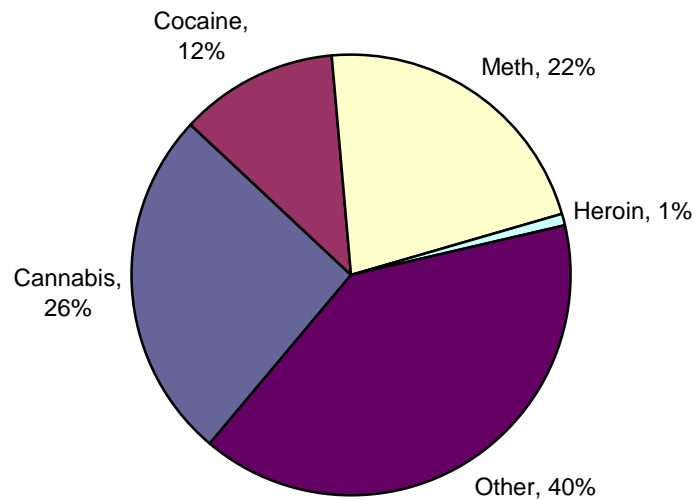

\$6,600 goes toward the service fees for six cell phones.

South Illinois Enforcement Group – SIEG

Enforcement Jurisdiction: Jackson, Union, Williamson Counties

Population: 141,083

ICJIA funding amount: \$142,498

South Illinois Enforcement Group – SIEG

Number of police agencies providing personnel: Local - 2; County – 1; State – 2

Number of police agencies providing funding only: Local – 7; County - 0

Total number of police officers assigned to unit: Local – 2; County – 1; State – 2; contract - 3

Strategy: Enforce the drug laws in effort to remove as much narcotics, cannabis, weapons and drug dealers from their jurisdiction's streets.

Trends: Drug dealers are selling and holding lower weight quantities to avoid higher class offenses.

Highlights:

- The unit seized one and one-half kilos of cocaine and \$53,000 in United States Currency.
- The unit seized 130 pounds of cannabis, \$14,000 United States Currency, two residences and one motorcycle.
- Seized 180 pounds of cannabis and one vehicle.
- Seized two indoor cannabis-grow operations of over 2,000 plants, each.
- In 2010, the unit was involved in the seizure \$850,000 United States Currency contained in a tractor-trailer that was heading back to Texas following a cocaine delivery in Chicago.

ICJIA funding allocation:

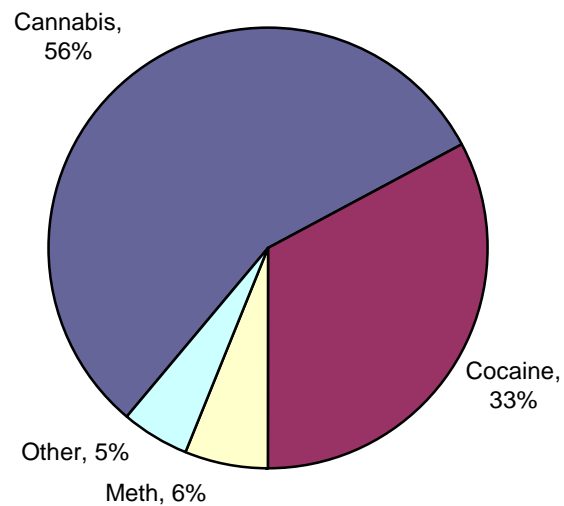

\$142,498 goes toward the salaries and benefits of four contracted agents.

State Line Area Narcotics Task Force – SLANT

**Enforcement Jurisdiction: Boone, Jo Davies, McHenry,
Stephenson, Winnebago Counties**

Population: 741,590

ICJIA funding amount: \$119,996

State Line Area Narcotics Task Force – SLANT

Number of police agencies providing personnel: Local - 4; County – 2; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 5; County – 2; State – 5

Strategy: Employ a variety of operational methods of drug investigations, undercover hand-to-hand buys, controlled drug purchases by confidential sources, joint conspiracy investigations with the Drug Enforcement Agency, as well as various surveillance and tactical operations with the aim of delivering sound and prosecutable cases against those individuals and organizations engaged in the manufacturing, distribution, and trafficking of cannabis and controlled substances in the bi-state area.

Trends: Cocaine distribution has increased. In the past three years, the unit has shifted its focus from street level investigations to mid-level investigations.

Highlights:

- In 2009, the unit conducted a joint investigation with the Bureau of Alcohol, Tobacco, and Firearms and the Drug Enforcement Agency that resulted in the arrest of 15 individuals involved in a heroin distribution network.

ICJIA funding allocation:

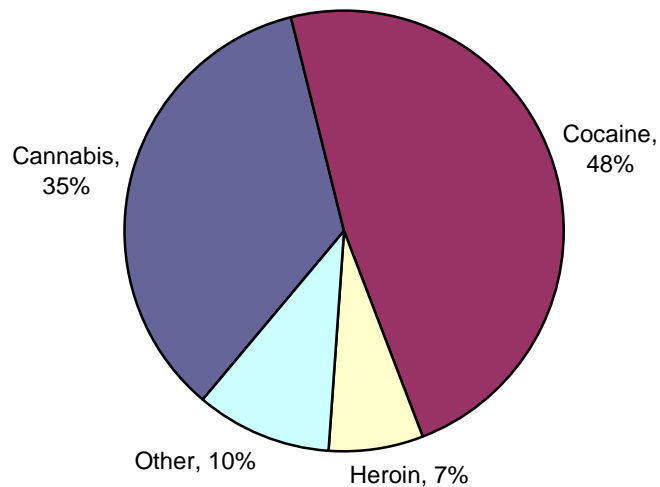

\$119,996 goes toward the partial salaries of two officers from Freeport and Stevenson County Sheriff police departments and the full salary (\$34,934) and fringe benefits of one administrative assistant

South Central Illinois Drug Task Force - SCIDTF

Enforcement Jurisdiction: Calhoun, Green, Jersey, Macoupin, Montgomery, Shelby Counties

Population: 141,026

ICJIA funding amount: \$85,064

South Central Illinois Drug Task Force - SCIDTF

Number of police agencies providing personnel: Local - 1; County – 4; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 1; County – 4; State – 2

Strategy: Conduct enforcement of drug laws within its six county area.

Trends: An increase in heroin use and trafficking. The area witnessed four heroin overdose deaths in 2010 and the unit directed a significant increase in activity on heroin investigations and arrests.

Highlights:

- In 2008, the unit conducted a drug investigation that led to the recovery of a bank bag full of WWII bonds that had been stolen in a 2005 residential burglary in Vermilion County.
- In 2009, the unit conducted an interstate interdiction and seized 82 pounds of cannabis. The unit learned the origin of the cannabis was California where it had been grown under a “Medicinal Marijuana” permit. The transporter was en route to Chicago.
- In 2009, the unit conducted an investigation that led to a seizure of 86 grams of cocaine, 54 grams of cannabis and \$9,552 United States Currency.
- In 2009, the unit conducted a buy-bust that resulted in an arrest and seizure of 101 grams of cocaine.
- In 2009 the unit conducted a buy bust that resulted in four arrests and seizure of 10 grams of heroin.
- In 2010, the unit conducted an investigation that led to a search warrant and seizure of 72 grams of crack cocaine.
- In 2010, unit conducted a buy-bust that resulted in an arrest and seizure of 116 grams of cocaine.
- In 2010, the unit arrested two armed offenders who attempted to rob an undercover agent making a controlled drug purchase.

ICJIA funding allocation:

\$30,197 goes toward the partial salary of one officer manager

\$14,640 goes toward the partial salaries of officers from Carlinville and Litchfield police departments

\$8,578 goes toward vehicle maintenance and gas

\$8,000 goes toward overtime for officers

\$5,000 goes toward vehicle insurance

\$5,000 goes toward telephone lines

\$2,700 goes toward bookkeeping/audit conducted by Macoupin County

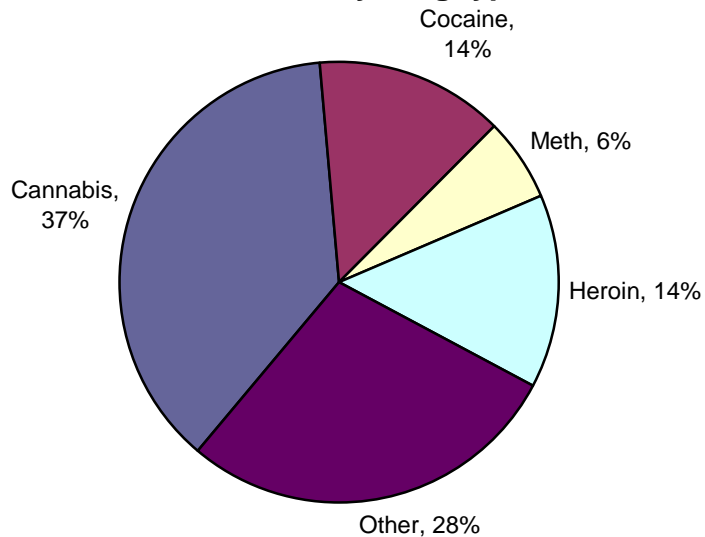

\$1,500 goes toward copier lease

Task Force 6

Enforcement Jurisdiction: DeWitt, Livingston, McLean Counties

Population: 219,333

ICJIA funding amount: \$64,106

Task Force 6

Number of police agencies providing personnel: Local - 3; County – 2; State – 2

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 1; County – 2; State – 2

Strategy: Enforce drug laws using street level and mid-level drug conspiracy investigations, conduct drug interdiction operations, provide drug awareness trainings, and provide investigative assistance and cooperative intelligence sharing with local agencies.

Trends: DeWitt and McLean counties' Coroners Offices have observed increase in overdose related deaths. Observed increase in the number of prescription drug and heroin offenses.

Highlights:

- In 2008, the unit conducted an investigation that led to an arrest and seizure of 100 kilograms of cocaine.
- In 2009, the unit conducted an investigation that led to two arrests and the seizure of more than 30 pounds of cannabis.
- In 2009, the unit conducted a drug conspiracy investigation with a Chicago connection that led to the seizure of 27 pounds of cannabis, 3 grams of cocaine, a handgun, 11 grams of powder Ketamine.
- In 2010, the unit conducted an investigation that led to the arrest of 13 individuals distributing prescription medications, ecstasy, cocaine and cannabis in the Illinois State University Campus area.
- In 2010, the unit conducted a joint investigation with California authorities that resulted in arrest and seizure of 8 kilograms of cocaine and 1 kilogram of heroin.
- In 2010, the unit conducted an investigation which resulted in an arrest and seizure of 15 grams of heroin.
- In 2010, the unit conducted an investigation that resulted in two arrests and seizure of 160 grams of powdered ecstasy.

ICJIA funding allocation:

\$33,489 (\$21.00 per hour) goes toward the full salary and fringe benefits of one office manager

\$27,615 goes toward alarm service for office, cellular phone service for 12 phones, office electric, vehicle insurance, and rent

\$1,752 goes toward training seminar attendance

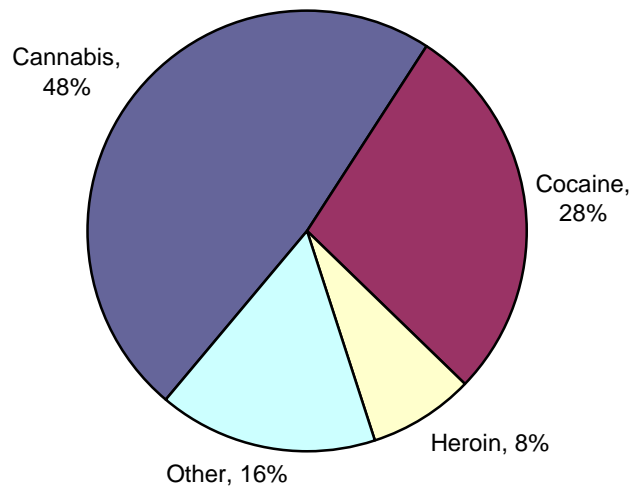

\$1,250 goes toward the maintenance and fuel for vehicles and general office supplies

Number of police agencies providing personnel: Local - 1; County – 1; State – 1

Number of police agencies providing funding only: Local – 5; County - 1

Total number of police officers assigned to unit: Local – 4; County – 1; State – 2

Strategy: Enforce drug laws.

Trends: Methamphetamine cases have increased after a few years of lull and methamphetamine arrests account for 41 percent of the unit's arrests.

Highlights:

- In 2009, the unit conducted a methamphetamine manufacturing conspiracy investigation that led to 12 Class X indictments of 12 individuals with histories of involvement in meth use, trade and manufacturing.
- In 2010, the unit conducted a yearlong investigation that led to a search warrant and seizure of an active meth lab, 2,056 grams of liquid meth, 5.3 grams of meth, a 20 gauge shotgun and arrest.
- In 2010, in cooperation with the Drug Enforcement Agency, conducted a buy-bust that resulted in the seizure of eight pounds of methamphetamine, two pounds of black tar heroin, a 9mm handgun and \$1,843 in United States Currency and the arrest of two individuals.

ICJIA funding allocation:

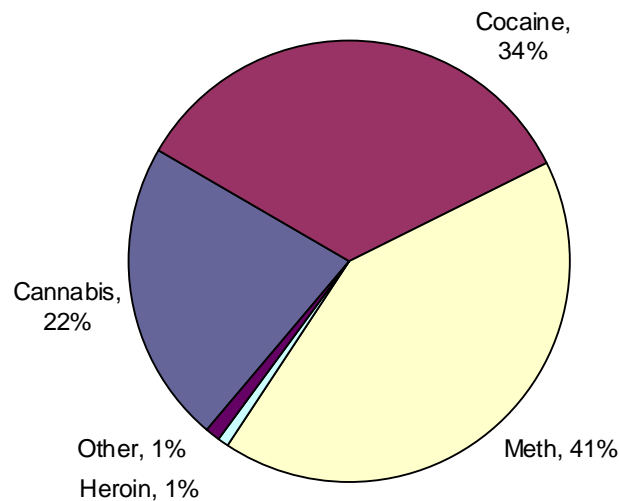

\$143,581 goes toward the full salaries and fringe benefits of four police officers

West Central Illinois Task Force - WCITF

Enforcement Jurisdiction: Adams, Brown, Fulton, Pike, Schuyler Counties

Population: 135,155

ICJIA funding amount: \$133,389

WCITF conduct a kilo cocaine reverse sting

On January 30, 2009 the West Central IL Task Force (Macomb), Peoria MEG, and DEA conducted kilo cocaine reverse sting on Casey Kidwell. Kidwell arrived at the Par-A-Dice Hotel in Peoria and attempted to purchase a kilo of cocaine from an undercover officer from Blackhawk Task Force. Kidwell was arrested by ISP TRT.

Agents seized \$25,990 USC from Kidwell's vehicle. A search warrant was then obtained for Kidwell's residence, where \$53,155 USC was seized.

Kidwell was charged in federal court for attempted possession of a kilo of cocaine.

In July 2009, WCITF, Peoria MEG and DEA conducted another search of Kidwell's property and located a buried plastic PVC tube. Inside the tube, agents recovered 12 ounces of cocaine and \$242,150 USC.

West Central Illinois Task Force - WCITF

Number of police agencies providing personnel: Local - 2; County – 5; State – 1

Number of police agencies providing funding only: Local – 0; County - 0

Total number of police officers assigned to unit: Local – 3; County – 6; State – 5

Strategy: To serve as the primary agency responsible for the investigation of drug offenders in west central Illinois in pursuit of the mission to improve the quality of life for the area’s citizens through aggressive and effective drug enforcement.

Trends: New method for manufacturing methamphetamine has resulted in increased production and resurgence of the drug. Urban areas of Quincy, Macomb, Canton and Monmouth seemingly have an endless supply of crack cocaine and crack cocaine dealers. “Medical” marijuana is increasingly being trafficked from the western states into the college campus.

Highlights:

- The unit conducted a joint investigation with the Peoria MEG that resulted in the seizure of 12 ounces of cocaine, \$321,295 United States Currency, a residence and arrest of 2 individuals.
- The unit conducted an investigation that led to the seizure of a kilogram of cocaine, 14 ounces of crystal methamphetamine, and arrest of six individuals.
- The unit conducted an investigation that led to the seizure of 20 grams of crack cocaine and arrest of eight individuals.
- The unit conducted a joint investigation with the Drug Enforcement Agency and other local agencies that resulted in the seizure of 20 pounds of shipped “Medical” marijuana, \$96,000 United States Currency and arrest of 12 individuals.
- The unit has conducted two, Conspiracy to Manufacture Methamphetamine cases that led to one 19 years in federal in prison and one life in federal prison sentence.

ICJIA funding allocation:

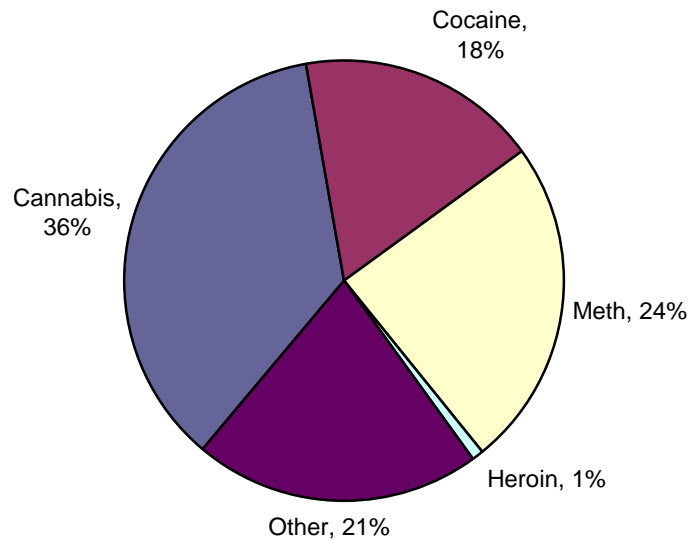

\$133,389 goes toward the partial salaries for six officers from Brown County, Fulton County, Monmouth, Pike County, Quincy, and Schuyler County police department and two secretaries.
