She said that it is very difficult for teenagers to get jobs now and sometimes parents have to pay for classes or whatever for kids who aren't in trouble. She said that she wasn't averse to providing wages to juveniles to essentially pay for them to attend elasses, but she said that she had a problem with actually paying them to go to class.

Since this memorandum is the official notification of Budget Committee action taken on February 10, 2011, the following is a reminder to the members of the Authority's organizational rules regarding committee oversight. Section 1750.340(I) of the Authority's Organizational Rules states:

i) Oversight of Committees—In order to provide for oversight by the Authority of actions taken by any committee, whether ad hoc or standing, Authority members shall be notified—by phone, mail or equivalent—of all motions passed by a particular committee, within five (5) business days of any committee meeting, or prior to the next meeting of that committee, or before the next meeting of the Authority, whichever is sooner. Within ten (10) business days of receipt of such information, a special meeting of the Authority may be convened upon the request of five (5) Authority members, for the purpose of fully discussing any action taken by a committee and to supersede the authorization granted to the committee to act on the Authority's behalf in any particular matter.
